"Words from the Commodore"
Commodore – John Frank

Dear members,

Sorry for the cancellation of the March meeting, but the health and safety of our membership is far more important. We had no issues that couldn't wait until next month's meeting. I consulted with the bridge and board members, and we decided to bring it to the membership. I appreciate everyone's input in this matter. Hopefully, this virus ends soon so that we can enjoy this boating season.

I also want to thank everyone that attended the ball, and we missed the ones that couldn't attend.

Thanks again.

Commodore John Frank

"Clubhouse Comments"
Vice Commodore – Nick Roberto

Hello everyone,

Right now, our priorities should be taking care of ourselves and our families. Please do what the authorities are asking of us. I'm sure this will put off any work parties in the near future.

One favor I would ask of you, if kids are at home, it may be hard to do, but keep them there. Stay safe everyone.

I hope and pray this passes like they say it will.

Vice Commodore
Nicola Roberto

The timeline for when things will get back to normal is unknown. Please stay safe and healthy. Here are a few tips:

Do

- Wash your hands regularly for 20 seconds, with soap and water or alcohol-based hand rub
- Cover your nose and mouth with a disposable tissue or flexed elbow when you cough or sneeze
- Avoid close contact (1 meter or 3 feet) with people who are unwell
- Stay home and self-isolate from others in the household if you feel unwell

Don't

- Touch your eyes, nose, or mouth if your hands are not clean

Hello WCYC Members,

With all that is going on, I wish you and your family the best of health. I know we are all anxious to get outside and work on our boats now that the weather is warming up, but it is also time for WCYC spring cleaning. This is usually the time we send out the information so we can mark our calendar for the annual spring-cleaning party. But since the recent health issue situation and precautions surrounding the COVID-19, I have not set a specific date at this time.

I will send an email with a date as soon as a date can be arranged. If you have any questions or concerns, please call and leave a message if I cannot answer your call: (440) 477-5510.

**REMINDER From the
Treasurer - Jim Frajter**

Laurie and I are wishing all our members and their families good luck and good health through this crisis.

I will be mailing out docking statements the first week of April. As always, if you have any questions or concerns please call me! Sometimes the statements can be confusing, if so, call me and we can go over them together.

The best time to reach me is in the evenings. Laurie and I are looking forward to seeing all of you soon.

Thanks
